Campus Crime Information

Under the federal law entitled “Jeanne Clery Disclosure of Campus Security Policy and Campus Crime Statistics Act”, statistics regarding major crimes “reported” to campus security authorities must be published for the past three calendar years. A crime is “reported” when it is brought to the attention of a campus security authority or the local police. It is not necessary for the crime to have been investigated by the police or campus security, nor must a finding of guilt or responsibility be made. Information in this report was obtained from the files of the Office of Student Affairs, and the law enforcement agencies that surround our campus. The reported crimes and relevant statistics follow:

Crime Warnings – Timely Notification

When circumstances warrant, Crime Alert Notices are distributed to warn the Campus community of a crime or incident that poses a possible ongoing or continuous threat to campus safety. When the nature of the crime warrants public notification, crime bulletins are distributed. In addition, notices may be placed on the campus web site.

Warnings may also be utilized to notify the campus community regarding campus or off-campus crime trends or incidents in order to encourage the use of safety precautions.

Crime warnings are released as soon as reasonably possible once sufficient information is obtained. HVSMT security works in partnership with Student Affairs, the Public Affairs Office and the local Police Departments to provide timely notification of incidents impacting campus safety.

To report a crime or other incident on-campus, call the Office of Student Affairs at 845-384-6592.

The campus log book is available at the Office of Student Affairs, 1723 Route 9W, West Park, New York 12493. The crime log for the most recent 60-day period is open to the public inspection, upon request, during normal business hours, which are 8:30am – 6pm. Any portion of the log that is older than 60 days will be made available within two business days or a written request for public inspection.

Sex Offender Information

Information on registered sex offenders may be obtained from the Town of Kingston Police Department or the New York State Sex Offender Registry website.
